Re. Holidays during term time

Dear Parents / Carers,

Last academic year we saw a significant rise in the number of holidays taken during term time. This had a considerable impact upon children's learning and much disruption was caused.

During the 2022/23 academic year, **1281** sessions were missed, which equates to just over **640** days, totalling **4160** hours of lost learning time.

As you are aware from previous communications, holidays taken during term time will not be authorised and will result in a fine, this is in line with the Local Authority Code of Conduct. The Education (Pupil Registration England) Regulations 2006 detail that Headteachers may not grant any leave of absence during term-time unless there are **exceptional circumstances**.

If the school has concerns regarding a child's attendance, we will liaise with, or make a referral to, the Education Welfare Service.

If we have reason to believe your child is absent due to a holiday, but this has not been reported, then we may ask for supporting evidence. If evidence cannot be provided, the absence will be marked as unauthorised.

If you would like to discuss your child's attendance in more detail, please contact the school office.

Best wishes,

Kind regards,

Mrs Rebecca Bailey
